

Fact Sheet

Members & guests are advised that the NSW Government has decided that upon reopening at 70% fully vaccinated from Monday 11th of October, there will be a public health order mandating that only fully vaccinated patrons can enter and utilise the club.

Important Information

Who do the vaccination requirements apply to?

- 1.** Anyone who enters the club premises is required to be fully vaccinated or exempt. A person does not need to comply with these requirements if they are only on the premises to purchase takeaway or if they are on the premises to assist vulnerable members of the public.
-

How can a person demonstrate their vaccine status?

- 2.** Valid forms of evidence are:
 - A COVID-19 digital certificate, and
 - An immunisation history statement.People may access these documents through the Medicare Express Plus mobile app or with a Medicare online account (through myGov). A person who cannot access these technologies can call the Australian Immunisation Register on 1800 653 809 and ask them to send a statement to them. It can take up to 14 days to arrive in the post. Patrons may also use their Apple Digital Wallet or Google Pay to show their vaccination certificate. It should be noted that these forms of evidence are easier to falsify than the Medicare Express Plus mobile app.
-

Can I come to the club if I've only had one vaccine dose?

- 3.** The NSW Government has announced that only people who have received both doses of the vaccine can come to the club Monday 11th Oct.

Fact Sheet

Members & guests are advised that the NSW Government has decided that upon reopening at 70% fully vaccinated from Monday 11th of October, there will be a public health order mandating that only fully vaccinated patrons can enter and utilise the club.

Important Information

4. Can a club exclude a person who does not comply with the vaccination requirement?

If a patron is not fully vaccinated or exempt, the club is obligated to refuse entry. Similarly, if a patron declines to provide any evidence that they are fully vaccinated or exempt, the club has the power to turn away the person. Given the requirement for clubs to take reasonable steps to ensure vaccination compliance, clubs have the power to seek information on a patron's vaccination status as a condition of entry. Any person who breaches the vaccination requirements or uses fraudulent evidence of vaccination or check in may receive an on-the-spot fine of \$1,000.

5. Is there a limit on the size of groups and bookings?

From 11 October and until the Monday after NSW reaches the 80 per cent double-dose milestone, clubs are required to limit group sizes and bookings to 20 people. These include birthday celebrations and other events.

8. Who is required to wear a mask at the club?

Every person in an indoor area of the club must wear a mask which fits securely around their nose and mouth. Masks may be removed to eat or drink. Some people are exempt from wearing a mask if they have a condition, illness or disability such as autism or trauma. People who are exempt must carry evidence including a certificate from a practitioner or NDIS provider, or a statutory declaration.
